Dear Nabriva Therapeutics plc Shareholder:

You are cordially invited to our Extraordinary General Meeting of Shareholders (the "EGM") to be held on October 31, 2018, beginning at 3:00 p.m., Irish time (11:00 a.m., Eastern Time), at 25-28 North Wall Quay, Dublin 1, Ireland.

We are holding the EGM in order to seek shareholder approval, in accordance with applicable rules of the Nasdaq Global Market, of the allotment and the issuance of our ordinary shares in settlement of potential milestone payment obligations that may become payable by us in the future to former security holders of Zavante Therapeutics, Inc. ("Zavante"), which we acquired on July 24, 2018, pursuant to our Agreement and Plan of Merger, dated as of July 23, 2018, with Zavante (the "Merger Agreement").

Under the Merger Agreement, former Zavante security holders, in the aggregate and subject to the terms and conditions of the Merger Agreement, may be entitled to receive from us up to \$97.5 million in milestone payments, of which \$25.0 million would become payable upon the first approval of a new drug application from the U.S. Food and Drug Administration for fosfomycin for injection for any indication (the "Approval Milestone Payment") and an aggregate of up to \$72.5 million would become payable upon the achievement of specified sales milestones (the "Net Sales Milestone Payments" and, together with the Approval Milestone Payment, the "Milestone Payments"). Subject to the approval of our shareholders at the EGM or otherwise, the Approval Milestone Payment will be settled in our ordinary shares and we will have the right to settle the Net Sales Milestone Payments in our ordinary shares, except as otherwise provided in the Merger Agreement. In the absence of obtaining the requisite shareholder approval, any Milestone Payments that become payable will be settled in cash.

We are not seeking shareholder approval or ratification of our acquisition of Zavante (the "Acquisition") or the Merger Agreement because the Acquisition has been consummated and neither the issuance of the consideration paid at the closing of the Acquisition nor the performance of our future obligations under the Merger Agreement requires shareholder approval under the rules of the Nasdaq Global Market, Irish law or our memorandum and articles of association.

The enclosed notice of the EGM sets forth the related proposal that will be presented at the EGM, which is described in more detail in the enclosed proxy statement. Our board of directors unanimously recommends that you vote "FOR" Proposal 1, as set forth in the proxy statement.

We look forward to seeing you there.

Very truly yours,

A handwritten signature in black ink, appearing to read "Daniel Burgess", written over a light blue horizontal line.

Daniel Burgess
Chairman of the Board of Directors

The enclosed proxy statement and proxy card were first made available to shareholders on or about October 1, 2018.

**PROXY STATEMENT FOR THE EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS
TO BE HELD ON WEDNESDAY, OCTOBER 31, 2018**

**Important Notice Regarding the Availability of Proxy Materials
for the Extraordinary General Meeting of Shareholders
to be held on October 31, 2018**

This proxy statement, our 2017 annual report to shareholders, our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and our Current Report on Form 8-K relating to the Zavante Acquisition dated July 25, 2018, as amended on September 10, 2018, are available at www.envisionreports.com/nbrv for viewing, downloading and printing.

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 and our Current Report on Form 8-K relating to the Zavante Acquisition dated July 25, 2018, as amended on September 10, 2018, as filed with the Securities and Exchange Commission ("SEC"), will be furnished without charge to any shareholder upon written or oral request to Nabriva Therapeutics plc, 25-28 North Wall Quay, Dublin 1, Ireland, Attention: Secretary, Telephone: (610) 816-6640.

Information about the EGM and Voting

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the "board of directors" or the "board") of Nabriva Therapeutics plc (the "Company," "Nabriva," "we" or "us") for use at the Extraordinary General Meeting of Shareholders (the "EGM") to be held on October 31, 2018, beginning at 3:00 p.m., Irish time (11:00 a.m., Eastern Time), at 25-28 North Wall Quay, Dublin 1, Ireland, and at any adjournment or postponement thereof.

On September 17, 2018, the record date for the determination of shareholders entitled to vote at the EGM, there were outstanding and entitled to vote an aggregate of 66,484,159 of our ordinary shares, par value \$0.01 per share ("ordinary shares"). Each ordinary share entitles the record holder thereof to one vote on each of the matters to be voted on at the EGM. With respect to Proposal 1, certain former security holders of Zavante Therapeutics, Inc. ("Zavante") agreed to cause any ordinary shares received in connection with the closing of our acquisition of Zavante (the "Acquisition") to abstain from voting on such proposal, and to vote any other of our ordinary shares held by them in favor of such proposal, pursuant to agreements they entered into in connection with the Agreement and Plan of Merger, dated as of July 23, 2018, with Zavante (the "Merger Agreement").

Purpose of the EGM

We are calling the EGM to seek shareholder approval, in accordance with the applicable rules of the Nasdaq Global Market, of the issuance of our ordinary shares in settlement of potential milestone payment obligations that may become payable in the future to former Zavante security holders pursuant to the Merger Agreement and to address any other matters that may properly come before the meeting.

Acquisition of Zavante

We are providing below a summary of the key terms of the Acquisition that we believe are helpful to a voting decision with respect to the issuance of our ordinary shares in settlement of potential milestone payment obligations that may become payable in the future to former security holders of

[Table of Contents](#)

Zavante pursuant to the Merger Agreement. The below summary highlights selected information contained in this proxy statement and may not contain all of the information that is important to you and does not contain a summary of all material terms of the Acquisition. We urge you to read this entire proxy statement carefully, including the documents incorporated by reference in this proxy statement, before voting. For more information regarding the Acquisition in particular, see "*Matter to be Voted On—Proposal 1—Acquisition of Zavante*" and our Current Report on Form 8-K dated July 25, 2018, as amended on September 10, 2018.

We are not seeking shareholder approval or ratification of the Acquisition or the Merger Agreement because the Acquisition has been consummated and neither the issuance of the consideration paid at the closing of the Acquisition nor the performance of our future obligations under the Merger Agreement requires shareholder approval under the rules of the Nasdaq Global Market, Irish law or our memorandum and articles of association. There are no "dissenters" or "appraisal" rights available to our shareholders in connection with Proposal 1.

Merger. On July 23, 2018, we and our newly formed, direct wholly owned subsidiaries, Zuperbug Merger Sub I, Inc. ("Merger Sub I"), and Zuperbug Merger Sub II, Inc. ("Merger Sub II"), entered into the Merger Agreement with Zavante and Cam Gallagher, solely in his capacity as representative of the former Zavante security holders in connection with the Merger Agreement, pursuant to which on July 24, 2018, Merger Sub I merged with and into Zavante with Zavante surviving such merger and becoming a wholly owned subsidiary of Nabriva, and Zavante thereafter on such date merged with and into Merger Sub II, with Merger Sub II surviving the merger as a wholly owned subsidiary of Nabriva and assuming the name Zavante Therapeutics, Inc. The Acquisition was completed on July 24, 2018.

Upfront Consideration. In connection with the closing of the Acquisition, we issued 7,336,906 of our ordinary shares to former Zavante security holders, which together with the 815,186 ordinary shares that are issuable pending satisfaction of indemnification and other obligations of the former Zavante security holders (the "Holdback Shares") constituted approximately 19.9% of our ordinary shares outstanding as of immediately prior to completion of the Acquisition (the "Upfront Shares").

Milestones. Pursuant to the Merger Agreement, former Zavante security holders, in the aggregate and subject to the terms and conditions of the Merger Agreement, will also be entitled to receive from Nabriva up to \$97.5 million in milestone payments, of which \$25.0 million would become payable upon the first approval of a new drug application from the U.S. Food and Drug Administration (the "FDA"), for fosfomycin for injection for any indication (the "Approval Milestone Payment"), and an aggregate of up to \$72.5 million would become payable upon the achievement of specified sales milestones (the "Net Sales Milestone Payments" and together with the Approval Milestone Payment, the "Milestone Payments").

Subject to approval of our shareholders of the issuance of our ordinary shares in settlement of our Milestone Payment obligations in accordance with applicable rules of the Nasdaq Global Market (the "Milestone Share Approval"), the Approval Milestone Payment will be settled in our ordinary shares and we will have the right to settle the Net Sales Milestone Payments in our ordinary shares, except as otherwise provided in the Merger Agreement. The actual number of ordinary shares that may become issuable as Milestone Payments will depend on multiple factors, including the milestones that may be actually achieved, the amount of the corresponding Milestone Payments that we elect to pay in ordinary shares pursuant to the terms of the Merger Agreement, and the market price of our ordinary shares at the time that we may pay the corresponding Milestone Payment. For more information regarding the consequences of the shareholder approval and issuance of additional ordinary shares in connection with the Milestone Payments, see "*Matter to be Voted On—Proposal 1—Certain Effects of the Proposal*". In the absence of obtaining the Milestone Share Approval, any Milestone Payments that become payable will be settled in cash.

[Table of Contents](#)

We have agreed in the Merger Agreement to use commercially reasonable efforts after the closing to obtain the Milestone Share Approval and to call a meeting of our shareholders no later than December 31, 2018 for such purpose. Your vote will determine whether we will have the ability to settle any Milestone Payments that may become payable in the future in our ordinary shares (or whether we will instead be required to settle all Milestone Payments in cash).

Registration Rights. The Upfront Shares issued at the closing of the Acquisition were, and the Holdback Shares and any other Nabriva ordinary shares that may become issuable in the future under the Merger Agreement will be, issued in reliance on the exemption from registration provided under Section 4(a)(2) of the Securities Act of 1933, as amended (the "Securities Act"), and/or Regulation D thereunder. We agreed in the Merger Agreement to provide registration rights with respect to the registration for resale of any of our ordinary shares that may be issued in satisfaction of our Milestone Payment obligations under the Merger Agreement. Former Zavante security holders who do not comply with specified procedural requirements set forth in the Merger Agreement, and former holders of Zavante options and warrants, will receive cash in lieu of any of our ordinary shares that otherwise would be issuable to them pursuant to the Merger Agreement.

Voting and Support Agreements. In connection with the Acquisition, former Zavante security holders agreed to cause any Upfront Shares received by them to abstain from voting on the Milestone Share Approval and to vote any other of our ordinary shares held by them in favor of the Milestone Share Approval. Therefore, 7,336,906 ordinary shares that were issued to former Zavante security holders at the closing of the Acquisition will abstain from voting on the Milestone Share Approval and 2,740,166 other ordinary shares that are held by such security holders as of September 17, 2018 will be obligated to vote in favor of the Milestone Share Approval. For more information regarding these agreements, see "*Matter to be Voted On—Proposal 1—Interests of Certain Persons—Receipt of Shares by Former Zavante Security Holders*".

Need for Shareholder Approval

Our ordinary shares are listed on the Nasdaq Global Market, and we are subject to the Nasdaq Listing Rules. Although we were not required to obtain shareholder approval in connection with the issuance of the Upfront Shares in connection with the closing of the Acquisition, since such ordinary shares constituted less than 20% of our outstanding ordinary shares, we are required under Nasdaq Listing Rule 5635(a) to seek shareholder approval for the issuance of any ordinary shares in settlement of potential Milestone Payment obligations that may become payable by us in the future pursuant to the Merger Agreement as further described below.

Nasdaq Listing Rule 5635(a) requires shareholder approval prior to the issuance of securities in connection with the acquisition of the stock or assets of another company, including pursuant to an "earn-out" or similar provision, where due to the present or potential issuance of common stock (or securities convertible into or exercisable for common stock), other than a public offering for cash, the common stock to be issued (a) constitutes voting power equal to or in excess of 20% of the outstanding voting power prior to the issuance or (b) is or will be equal to or in excess of 20% of the outstanding common stock prior to the issuance. The ordinary shares we issued as upfront consideration in connection with the closing of the Acquisition, together with the Holdback Shares that may become issuable, constituted approximately 19.9% of our outstanding ordinary shares as of immediately prior to the closing of the Acquisition. The issuance of additional ordinary shares to former Zavante security holders in connection with the Milestone Payments would be aggregated with the Upfront Shares for purposes of Nasdaq Listing Rule 5635(a). Accordingly, issuing additional ordinary shares as Milestone Payments would result in the aggregate number of ordinary shares issued by us in connection with the Acquisition exceeding 20% of our total shares outstanding immediately prior to the Acquisition. Therefore, we are requesting shareholder approval for Proposal 1 to ensure that we have shareholder approval to allot and issue ordinary shares in connection with the potential future Milestone Payments

[Table of Contents](#)

under the Merger Agreement. To the extent the Milestones are achieved and we settle the corresponding Milestone Payments in ordinary shares, the ordinary shares would be valued pursuant to a formula based on the then-market price of our ordinary shares. For more information regarding the Milestone Payments, see "*Matter to be Voted On—Proposal 1—The Acquisition*".

Certain Effects of the Proposal

If we do not obtain shareholder approval of Proposal 1 to allot and issue our ordinary shares in settlement of potential Milestone Payment obligations that may become payable by us in the future pursuant to the Merger Agreement, we would not be able to settle Milestone Payments that become payable in our ordinary shares and would be required to settle them in cash.

We have agreed in the Merger Agreement to use commercially reasonable efforts after the closing to obtain the Milestone Share Approval and to call a meeting of our shareholders no later than December 31, 2018 for such purpose. In the event Proposal 1 is not approved, we may solicit the Milestone Shareholder Approval at a future annual or extraordinary meeting of our shareholders.

If shareholder approval of Proposal 1 is obtained to allot and issue ordinary shares in settlement of our potential Milestone Payment obligations and (i) assuming all \$97.5 million of Milestone Payments were to become payable and we elected to pay all Net Sales Milestone Payments in ordinary shares in addition to our obligation to pay the Approval Milestone Payment in ordinary shares, and (ii) further assuming that our ordinary shares are valued at \$2.54 per share, which is equal to the closing price of our ordinary shares on August 31, 2018, then we would issue to the former security holders of Zavante (except with respect to former Zavante security holders who do not comply with specified procedural requirements set forth in the Merger Agreement and former holders of Zavante options and warrants, to whom we would pay cash) in connection with such Milestone Payments an aggregate of 38,385,826 ordinary shares, or approximately 57.7% of our outstanding shares as of August 31, 2018. The actual number of ordinary shares that may become issuable as Milestone Payments will depend on multiple factors, including the milestones that may be actually achieved, the amount of the corresponding Milestone Payments that we elect to pay in our ordinary shares pursuant to the terms of the Merger Agreement, and the value ascribed to our ordinary shares under the Merger Agreement at the time that we may pay the corresponding Milestone Payment. For purposes of the Milestone Payments, our ordinary shares would be valued pursuant to a formula based on the then-market price of our ordinary shares, as described described in more detail in this proxy statement under the heading "*Matter to be Voted On—Proposal 1—Certain Effects of the Proposal*". While we believe that having the ability to settle Milestone Payment obligations in ordinary shares offers benefits to Nabriva and our shareholders, including conservation of cash, the settlement of Milestone Payment obligations in ordinary shares may cause substantial dilution to the equity interest of our shareholders at the time of any such payment.

Board's Recommendation

Our board of directors recommends that you vote "FOR" the approval of Proposal 1.

How to Vote Your Shares

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions below. Choose the way to vote that is easiest and most convenient for you, and cast your vote as soon as possible.

[Table of Contents](#)

If you are the "record holder" of your shares, meaning that you own your shares in your own name and not through a bank, broker or other nominee, you may vote in one of four ways:

(1) *You may vote over the Internet.* You may vote your shares by following the "Vote by Internet" instructions on the enclosed proxy card. If you vote over the Internet, you do not need to vote by telephone or complete and mail your proxy card. The internet voting facilities for eligible shareholders of record will close at 6:00 a.m., Irish time (2:00 a.m., Eastern Time), the day of the EGM.

(2) *You may vote by telephone.* You may vote your shares by following the "Vote by Phone" instructions on the enclosed proxy card. If you vote by telephone, you do not need to vote over the Internet or complete and mail your proxy card. If you vote by telephone, your use of that telephone system, and specifically the entry of your pin number/other unique identifier, will be deemed to constitute your appointment, in writing and under hand, and for all purposes of the Irish Companies Act of 2014, of each of Gary Sender and Robert Crotty as your proxy to vote your shares on your behalf in accordance with your telephone instructions. The telephone voting facilities for eligible shareholders of record will close at 6:00 a.m., Irish time (2:00 a.m., Eastern Time), the day of the EGM.

(3) *You may vote by mail.* You may vote by completing, dating and signing the proxy card delivered with this proxy statement and promptly mailing it in the enclosed postage-paid envelope. If you vote by mail, you do not need to vote over the Internet or by telephone. We must receive the completed proxy card by 12:00 p.m., Irish time (8:00 a.m., Eastern Time), on the day of the EGM.

(4) *You may vote in person.* If you attend the EGM, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot at the EGM. Ballots will be available at the EGM.

All proxies that are executed and delivered by mail or in person, or are otherwise submitted over the Internet or by telephone will be voted on the matters set forth in the accompanying Notice of Extraordinary General Meeting of Shareholders in accordance with the shareholders' instructions. However, if no choice is specified on a proxy as to the proposal, the proxy will be voted in accordance with the board of directors' recommendation on the proposal as set forth in this proxy statement. All proxies will be forwarded to the Company's registered office electronically.

How to Change Your Vote

After you have submitted a proxy, you may still change your vote and revoke your proxy prior to the EGM by doing any one of the following things:

- submitting a new proxy by following the "Vote by Internet" or "Vote by Phone" instructions on the enclosed proxy card at a date later than your previous vote but prior to the voting deadline (which is 6:00 a.m., Irish time (2:00 a.m., Eastern Time), the day of the EGM);
- signing another proxy card and either arranging for delivery of that proxy card by mail prior to the start of the EGM, or by delivering that signed proxy card in person at the EGM;
- giving our Secretary a written notice before or at the EGM that you want to revoke your proxy; or
- voting in person at the EGM.

Your attendance at the EGM alone will not revoke your proxy.

Shares Held in Street Name

If the shares you own are held in "street name" by a bank, broker or other nominee record holder, which we collectively refer to in this proxy statement as "brokerage firms," your brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your brokerage firm provides you. Many brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which, if available, would be provided by your brokerage firm on the voting instruction form that it delivers to you. Because most brokerage firms are member organizations of the New York Stock Exchange, or NYSE, the rules of the NYSE will likely govern how your brokerage firm would be permitted to vote your shares in the absence of instruction from you. Under the current rules of the NYSE, if you do not give instructions to your brokerage firm, it will still be able to vote your shares with respect to certain "discretionary" items, but will not be allowed to vote your shares with respect to certain "non-discretionary" items. Proposal 1 is a "non-discretionary" item, meaning that if you do not instruct your brokerage firm on how to vote with respect to Proposal 1, your brokerage firm will not vote with respect to the proposal and your shares will be counted as "broker non-votes." "Broker non-votes" are shares that are held in "street name" by a brokerage firm that indicates on its proxy that it does not have or did not exercise discretionary authority to vote on a particular matter.

If your shares are held in street name, you must bring an account statement from your brokerage firm showing that you are the beneficial owner of the shares as of the record date (September 17, 2018) to be admitted to the EGM. To be able to vote your shares held in street name at the EGM, you will need to obtain a proxy card from the holder of record.

Vote Required; Broker Non-Votes; No Dissenters' Rights

The holders of a majority of our ordinary shares issued and outstanding and entitled to vote at the EGM will constitute a quorum for the transaction of business at the EGM. Ordinary shares represented in person or by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for shareholder approval) will be counted for purposes of determining whether a quorum is present at the EGM. The affirmative vote of the holders of our ordinary shares representing a majority of the votes cast on the matter and voting affirmatively or negatively is required for the approval of Proposal 1.

Shares that abstain from voting as to a particular matter and shares held in "street name" by brokerage firms who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on Proposal 1.

Holders of our ordinary shares will not have any dissenters' rights of appraisal in connection with Proposal 1 to be voted on at the EGM. In addition, certain former Zavante security holders agreed to cause any of our ordinary shares received in connection with closing of the Acquisition to abstain from voting on Proposal 1, and to vote any other of our ordinary shares held by them in favor of such proposal, pursuant to agreements they entered into in connection with the Merger Agreement. The shares that will abstain from voting on Proposal 1 will be included in determination of the quorum at the EGM.

MATTER TO BE VOTED ON

PROPOSAL 1: TO APPROVE, IN ACCORDANCE WITH APPLICABLE RULES OF THE NASDAQ GLOBAL MARKET, THE ALLOTMENT AND ISSUANCE OF OUR ORDINARY SHARES IN SETTLEMENT OF POTENTIAL MILESTONE PAYMENT OBLIGATIONS THAT MAY BECOME PAYABLE BY US IN THE FUTURE TO FORMER SECURITY HOLDERS OF ZAVANTE THERAPEUTICS, INC., WHICH WE ACQUIRED ON JULY 24, 2018, PURSUANT TO OUR AGREEMENT AND PLAN OF MERGER, DATED AS OF JULY 23, 2018, WITH ZAVANTE

Background of the Proposal

We completed the Acquisition on July 24, 2018. The terms of the Acquisition require us to pay Milestone Payments to the former Zavante security holders upon achievement of certain regulatory and sales milestones after the closing of the Acquisition. We are submitting this Proposal 1 to you in order to obtain the requisite shareholder authorization in accordance with applicable rules of the Nasdaq Global Market so that we may make the Approval Milestone Payment and the Net Sales Milestone Payments in our ordinary shares, as more fully described below.

Although the proposal to approve, in accordance with applicable rules of the Nasdaq Global Market, the issuance of our ordinary shares in settlement of potential Milestone Payment obligations that may become payable by us in the future to the former Zavante security holders, pursuant to the Merger Agreement, is related to the Acquisition, we are not seeking shareholder approval or ratification of the Acquisition or the Merger Agreement because the Acquisition has been consummated and neither the issuance of the consideration paid at the closing of the Acquisition nor the performance of our future obligations under the Merger Agreement requires shareholder approval under the rules of the Nasdaq Global Market, Irish law or our memorandum and articles of association. Your vote only relates to whether any Milestone Payments that may become due in the future would be settled only in cash, or whether we would be able to settle them in our ordinary shares to the extent permitted under the terms of the Merger Agreement.

Prior to the Acquisition, Zavante was a privately held late clinical stage biopharmaceutical company focused on developing novel therapies to improve the outcomes of hospitalized patients. Zavante's lead product candidate is CONTEPO (fosfomycin for injection). See our Current Report on Form 8-K, dated July 25, 2018, which is incorporated herein by reference, for further information regarding Zavante.

Acquisition of Zavante

As previously disclosed, on July 23, 2018, we and our newly formed, direct wholly owned subsidiaries, Merger Sub I and Merger Sub II, entered into the Merger Agreement with Zavante and Cam Gallagher, solely in his capacity as representative of the former Zavante security holders in connection with the Merger Agreement, pursuant to which on July 24, 2018, Merger Sub I merged with and into Zavante with Zavante surviving such merger and becoming a wholly owned subsidiary of the Company, and Zavante thereafter on such date merged with and into Merger Sub II, with Merger Sub II surviving the merger as a wholly owned subsidiary of the Company and assuming the name Zavante Therapeutics, Inc. The Acquisition was completed on July 24, 2018.

Upon the closing of the Acquisition, we issued 7,336,906 ordinary shares to former Zavante security holders, which together with the 815,186 Holdback Shares that are issuable pending satisfaction of indemnification and other obligations of the former Zavante security holders constituted approximately 19.9% of our ordinary shares outstanding as of immediately prior to the closing of the Acquisition.

Pursuant to the Merger Agreement, former Zavante security holders, in the aggregate and subject to the terms and conditions of the Merger Agreement, will also be entitled to receive from us up to

[Table of Contents](#)

\$97.5 million in milestone payments, of which the Approval Milestone Payment would become payable upon the occurrence of the Approval Milestone and the Net Sales Milestone Payments would become payable upon the achievement of the Net Sales Milestones.

Subject to the Milestone Share Approval, the Approval Milestone Payment will be settled in our ordinary shares and we will have the right to settle the Net Sales Milestone Payments in our ordinary shares, except as otherwise provided in the Merger Agreement. In the absence of obtaining the Milestone Share Approval, the Milestone Payments will be settled in cash. We agreed to use commercially reasonable efforts after the closing of the Acquisition to obtain the Milestone Share Approval and to call a meeting of our shareholders no later than December 31, 2018 for such purpose.

Subject to the terms of the Merger Agreement, the Holdback Shares, constituting 10% of the Upfront Shares, will serve as a source for the satisfaction of indemnification and other obligations of the former Zavante security holders and, subject to reduction in respect of these obligations, will be issued to the former Zavante security holders following the first anniversary of the closing of the Acquisition. We are not seeking shareholder approval for the issuance of the Holdback Shares as such approval is not required, since the Holdback Shares and the Upfront Shares issued at the closing of the Acquisition together total 19.9% of our ordinary shares outstanding as of immediately prior to the closing.

The Upfront Shares issued at closing were, and the Holdback Shares and any other of our ordinary shares that may become issuable in the future under the Merger Agreement will be, issued in reliance on the exemption from registration provided under Section 4(a)(2) of the Securities Act and/or Regulation D thereunder. We agreed in the Merger Agreement to provide registration rights with respect to the registration for resale of any ordinary shares that may be issued in satisfaction of our Milestone Payment obligations under the Merger Agreement. Former Zavante security holders who do not comply with specified procedural requirements set forth in the Merger Agreement, and former holders of Zavante options and warrants, will receive cash in lieu of any ordinary shares that otherwise would be issuable to them pursuant to the Merger Agreement.

The Acquisition was intended by the parties, and was accordingly structured, to be treated for U.S. federal income tax purposes as an integrated transaction meeting the requirements for a reorganization set forth in Section 368(a) of the Code. If the Acquisition is so treated and certain other requirements are satisfied, the parties anticipate that holders of our ordinary shares should not experience adverse U.S. federal income tax consequences as a result of the Acquisition or their participation therein. We believe that holders of our ordinary shares who did not participate in the Acquisition will not experience any U.S. federal income tax consequences as a result of the Acquisition. However, no assurances can be given that these intended results will in fact be achieved, and neither party sought or intends to seek a ruling from the Internal Revenue Service or an opinion of counsel regarding the U.S. federal income tax treatment or consequences of the Acquisition.

We accounted for the Acquisition as an asset acquisition as the arrangement did not meet the definition of a business pursuant to the guidance prescribed in ASC Topic 805, *Business Combinations*. We concluded Acquisition did not meet the definition of a business because the transaction principally resulted in the acquisition of the exclusive rights to intravenous fosfomycin in the United States, which is a single identifiable asset in accordance with ASC Topic 805. We did not acquire tangible assets, processes, protocols, operating systems or the minimum required inputs and processes necessary to be a business.

We expensed the acquired intellectual property as of the acquisition date on the basis that the cost of intangible assets purchased from others for use in research and development activities, and that have no alternative future uses, are expensed at the time the costs are incurred. We recorded \$25.2 million, the fair value of the ordinary shares issued in connection with the Closing less the tangible net assets acquired, as in-process research and development expense.

[Table of Contents](#)

We were also not required to obtain any approvals or clearances from any federal or state regulatory authorities in the United States or other countries to consummate the Acquisition.

Our purpose and reasons for undertaking the Acquisition was to bolster our position in developing new anti-infectives that address critical areas of unmet medical need, including antibiotic resistance. The board of directors unanimously approved the Acquisition.

Certain Effects of the Proposal

If we do not obtain shareholder approval to allot and issue our ordinary shares in settlement of potential Milestone Payment obligations that may become payable by us in the future pursuant to the Merger Agreement, we would not be able to settle Milestone Payments that become payable in our ordinary shares and would be required to settle them in cash.

We have agreed in the Merger Agreement to use commercially reasonable efforts after the closing to obtain the Milestone Share Approval and to call a meeting of our shareholders no later than December 31, 2018 for such purpose. In the event Proposal 1 is not approved, we may solicit the Milestone Shareholder Approval at a future annual or extraordinary meeting of our shareholders.

If shareholder approval is obtained to allot and issue ordinary shares in connection with Milestone Payments and (i) assuming all \$97.5 million of Milestone Payments were to become payable and we elected to pay all Net Sales Milestone Payments in ordinary shares in addition to our obligation to pay the Approval Milestone Payment in ordinary shares, and (ii) further assuming that our ordinary shares are valued at \$2.54 per share, which is equal to the closing price of our ordinary shares on August 31, 2018, then we would issue to the former security holders of Zavante (except with respect to former Zavante security holders who do not comply with specified procedural requirements set forth in the Merger Agreement and former holders of Zavante options and warrants, to whom we would pay cash) in connection with such Milestone Payments an aggregate of 38,385,826 ordinary shares, or approximately 57.7% of our outstanding shares as of August 31, 2018. The actual number of ordinary shares that may become issuable as Milestone Payments will depend on multiple factors, including the milestones that may be actually achieved, the amount of the corresponding Milestone Payments that we elect to pay in our ordinary shares pursuant to the terms of the Merger Agreement, and value ascribed to our ordinary shares under the Merger Agreement at the time that we may pay the corresponding Milestone Payment. For purposes of the Milestone Payments, our ordinary shares will be valued at the volume weighted average price of our ordinary shares over the twenty (20) trading day period ending three (3) trading days prior to the date of issuance of such shares, as reported by Bloomberg, provided that in the case of the Approval Milestone Payment, the applicable period for measuring the volume weighted average price of our ordinary shares will instead be the twenty (20) trading-day period commencing on the tenth (10th) trading day prior to public announcement of the achievement of the Approval Milestone.

The table below shows the beneficial ownership of the former Zavante security holders of our ordinary shares as of August 31, 2018 and the pro forma ownership of the former Zavante security holders of our ordinary shares assuming all Milestone Payments eligible to be made in our ordinary shares are settled in our ordinary shares at a price of \$2.54 per share, the closing price of our ordinary shares on August 31, 2018, and assuming no other issuances of ordinary shares to any shareholders for

any purpose have occurred and no sale or other disposition of any ordinary shares by any of the former Zavante security holders have occurred.

- (1) Includes 7,336,906 of our ordinary shares received in connection with the closing of the Acquisition and 2,740,166 shares subsequently acquired outside of the Acquisition as reported by such security holders in filings filed with the SEC pursuant to requirements of Sections 13(d) and (g) of the Exchange Act.

While we believe that having the ability to settle Milestone Payment obligations in ordinary shares offers benefits to us and our shareholders, including conservation of cash, the settlement of Milestone Payment obligations in ordinary shares would increase former Zavante security holders' percentage ownership of Nabriva and would increase the number of ordinary shares outstanding, which may cause substantial dilution to the equity interest of our current shareholders. In addition, we are obligated under the Merger Agreement to provide registration rights with respect to the registration for resale of any additional ordinary shares that may become issuable upon the achievement of any Milestones. Even if such ordinary shares are not registered, former Zavante shareholders may be able to sell such shares pursuant to an exemption from registration. The sale or resale of our ordinary shares in the public market, or the market's expectation of such sales, may result in an immediate and substantial decline in our stock price.

Interests of Certain Persons

Appointment of Theodore Schroeder as Chief Executive Officer and Director

In connection with the signing of the Merger Agreement, on July 23, 2018, Nabriva Therapeutics US, Inc. ("Nabriva US") entered into an Employment Agreement with Theodore Schroeder (the "Schroeder Agreement") providing for Mr. Schroeder to serve as our chief executive officer and president and chief executive officer of Nabriva US, effective as of the closing of the Acquisition. Prior to the closing of the Acquisition, Mr. Schroeder served as president, chief executive officer and director of Zavante.

Pursuant to the Schroeder Agreement, Mr. Schroeder will receive an annual base salary of \$530,000 and be eligible to receive an annual performance bonus targeted at 50% of his annual base salary, with the actual amount of such bonus, if any, to be determined by the board. For 2018, Mr. Schroeder's bonus will be pro-rated to reflect his 2018 service to Nabriva US. Mr. Schroeder will also be entitled to participate in our employee benefit plans, subject to the terms and conditions of such plans. Pursuant to the Schroeder Agreement, the board also approved the grant to Mr. Schroeder, effective as of the first business day immediately following the Commencement Date (the "Grant Date"), of a non-statutory stock option to purchase 850,000 of our ordinary shares at an exercise price per share equal to the closing price per share of our ordinary shares on the Nasdaq Global Market on

[Table of Contents](#)

the Grant Date. The option award will have a ten-year term and will vest over a four-year period, with 25% of the shares underlying the award vesting on the first anniversary of the Commencement Date and the remaining 75% of the shares underlying the option award to vest monthly over the subsequent 36-month period. In addition, the board approved the grant to Mr. Schroeder, effective as of the Grant Date, of 150,000 performance-based restricted share units (the "Schroeder PRSUs"). The Schroeder PRSUs will vest as follows: 50% of the Schroeder PRSUs will vest upon board certification of the receipt of FDA approval of a new drug application for each of (x) lefamulin and (y) CONTEPO for any indication, and 50% of the Schroeder PRSUs will vest on the first anniversary of such board certification, provided, in each case, that Mr. Schroeder is performing services to Nabriva US on the applicable vesting dates. If the FDA does not approve an NDA for both lefamulin and CONTEPO by January 31, 2020, the Schroeder PRSUs award will terminate in full. The Schroeder Agreement also contains provisions, among others, relating to termination, change of control, nondisclosure, nonsolicitation and indemnification.

Pursuant to the Schroeder Agreement, Mr. Schroeder was also appointed to our board effective immediately following our 2018 Annual General Meeting of Shareholders held on August 1, 2018, and to the board of directors of Nabriva US and Nabriva Therapeutics Ireland DAC effective as of July 24, 2018. As an employee of Nabriva US, Mr. Schroeder will not receive any additional compensation for his service as a director of these entities.

In connection with the closing of the Acquisition, in respect of Mr. Schroeder's capacity as a former Zavante security holder, we issued 60,741 of the Upfront Shares to the Schroeder Living Trust, of which Mr. Schroeder is the trustee. The Schroeder Living Trust is also entitled to receive an additional 6,749 ordinary shares upon the issuance of the Holdback Shares and a pro rata portion of any Milestone Payments.

Receipt of Shares by Former Zavante Security Holders

The former security holders of Zavante, including the Schroeder Living Trust, also have an interest in Proposal 1 insofar as approval of the proposal would enable them to be paid any Milestone Payments that may become payable under the Merger Agreement in our ordinary shares. We agreed in the Merger Agreement to provide registration rights with respect to the registration for resale of any ordinary shares that may be issued in satisfaction of our Milestone Payment obligations under the Merger Agreement.

In connection with the signing of the Merger Agreement, certain former Zavante security holders entered into an agreement with Zavante and us on July 23, 2018 (the "Support Agreement") agreeing, among other things, to cause any Upfront Shares received by them to abstain from voting on the Milestone Share Approval and to vote any other of our ordinary shares held by them in favor of the Milestone Share Approval. In addition, following the signing of the Merger Agreement, each Zavante security holder receiving Upfront Shares that was not already a party to the Support Agreement entered into a separate investment agreement with us in which such Zavante security holder agreed, among other things, to cause any Upfront Shares received by it to abstain from voting on the Milestone Share Approval and to vote any other of our ordinary shares held by it in favor of the Milestone Share Approval.

Vote Required for Approval; No Dissenters' Rights

The affirmative vote of the holders of our ordinary shares representing a majority of the total votes cast on this matter in person or by proxy at the EGM will be required to approve, in accordance with applicable rules of the Nasdaq Global Market, the issuance of our ordinary shares in settlement of potential Milestone Payment obligations that may become payable by us in the future to former Zavante security holders pursuant to the Merger Agreement. Abstentions and broker non-votes will not

be counted as votes cast and therefore will not affect the determination as to whether this Proposal 1 is approved. Holders of our ordinary shares will not have any dissenters' rights of appraisal in connection with this Proposal 1.

OUR BOARD OF DIRECTORS BELIEVES THAT THE ABILITY TO ALLOT AND ISSUE OUR ORDINARY SHARES IN SETTLEMENT OF POTENTIAL MILESTONE PAYMENT OBLIGATIONS IS IN THE BEST INTERESTS OF THE COMPANY AND OUR SHAREHOLDERS AND RECOMMENDS THAT YOU VOTE FOR THE APPROVAL, IN ACCORDANCE WITH APPLICABLE RULES OF THE NASDAQ GLOBAL MARKET, OF THE ALLOTMENT AND ISSUANCE OF OUR ORDINARY SHARES IN SETTLEMENT OF POTENTIAL MILESTONE PAYMENT OBLIGATIONS THAT MAY BECOME PAYABLE BY US IN THE FUTURE TO FORMER ZAVANTE SECURITY HOLDERS PURSUANT TO THE MERGER AGREEMENT.

Incorporation by Reference

The SEC allows us to incorporate by reference much of the information we file with the SEC, which means that we can disclose important information to you by referring you to those publicly available documents. The information that we incorporate by reference in this proxy statement is considered to be part of this proxy statement. Because we are incorporating by reference future filings with the SEC, this proxy statement is continually updated and those future filings may modify or supersede some of the information included or incorporated in this proxy statement. This means that you must look at all of the SEC filings that we incorporate by reference to determine if any of the statements in this proxy statement or in any document previously incorporated by reference herein or therein have been modified or superseded. This proxy statement incorporates by reference the documents listed below and any future filings we make with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act (in each case, other than those documents or the portions of those documents not deemed to be filed), until the EGM has occurred:
